# GSDSEF Consent to Participate in Science Fair Project Testing

**INSTRUCTIONS:** Consent is required for any testing done with human subjects in a Science fair project. Each test subject must complete this form.

Project Title The Durability Of Nail Polish

Student Conducting Project Testing Hern, Emma Renee

School Thurgood Marshall Middle School

Below is a brief description of the Project's procedure(s) that the test subjects will be performing:

Each week, subject will remove all nail polish, wash hands and allow nails to dry for an additional 5-10 minutes. Two coats of a selected polish will be applied to the nails. Pictures will be taken on days one, three, five and seven to monitor wear. On day seven, polish will be removed, hands washed, and time allowed to dry. A new polish will be applied to clean nails each week for a total of six weeks.

## Human Test Subject Consent\*

- I, Karen L. Hern (name of test subject) understand that the student named above is conducting an experiment for a science fair project. The student has asked me to be a test subject.
- The student developing this project has explained this study to me and I voluntarily consent to be a test subject. I have my parent's or teacher's consent to participate if I am under 18 years of age.
- I realize that I can withdraw from this study at any time and there will be no negative consequences.
