# GSDSEF Consent to Participate in Science Fair Project Testing

**INSTRUCTIONS:** Consent is required for any testing done with human subjects in a Science fair project. Each test subject must complete this form.

Project Title To Wear, Or Not To Wear?

Student Conducting Project Testing Zoe Thomas

School Marshall Middle School

Below is a brief description of the Project's procedure(s) that the test subjects will be performing:

Students in grades Kindergarten to Eighth, with about thirty or more students in each, are to be tested on by asking what each student's opinion is, either negative or positive, about each picture of clothing that is presented to them either on a large screen with an overhead projector, or on paper, all in full color. Each picture of clothing will be categorized under stereotypical labels used in schools by students of all ages. The clothing in the picture will not be worn, just shown alone. The students are to write their answers based on the four answers given for them to select based on the letters A, B, C, and D, D meaning that they dislike the clothes entirely, even if they are not the ones wearing it.
