

SF Assignment: Formatting Page

Due Wednesday, Sept. 12

Write 1 paragraph about *anything* you want. Tell me about yourself, your pet, the happiest moment in your life, a time you wanted to crawl under a table & die, anything! You will not be graded on the content of the paragraph nor on the quality of the writing. Instead, you will be graded on... the formatting! (But, I do love reading a good story!) ☺

All science fair assignments require the following formatting:

- Typed
- Bold centered title
- 1" margins
- 1 ½ spacing
- 12 point regular font

If you don't know how to change the formatting in the word processor of your choice, now's the time to learn.

You will be graded using the following rubric:

Typed	/5
Bold centered title	/5
1" margins	/5
1 ½ spacing	/5
12 point font	/2.5
Simple regular font	/2.5
1 paragraph of writing	/5
Total Points	/30
